

# H-AISA

## MEMBERSHIPS

### HUMAN-AI SYMBIOSIS ALLIANCE

#### INDEPENDENT, NOT-FOR-PROFIT ORGANIZATION

H-AISA operates without commercial bias, ensuring our mission and values remain uncompromised. We maintain transparency in our funding and partnerships, publishing annual financial reports and disclosures on donor relationships to demonstrate our commitment to autonomy. We also have an independent ethics committee overseeing key decisions to preserve neutrality.

#### BRAND AGNOSTIC & NON PARTISAN

We support and collaborate with all sectors, prioritizing the cause over commercial interests. As a strictly non-partisan organization, we align solely with the principles of science, truth, and a future grounded in human-AI symbiosis. Our sector-agnostic approach is reflected in cross-industry case studies and metrics that demonstrate the impact of neutral AI initiatives. We work across industries to develop frameworks that benefit all members equally, ensuring no preferential treatment is given to any sector or political agenda.

#### MEMBER-DRIVEN AND COMMUNITY-CENTRIC

Our strength lies in our vibrant community of members who drive our initiatives and projects. We offer a collaborative platform for real-time dialogue, resource-sharing, and the co-authoring of industry reports. Members can actively participate in peer-reviewed papers, joint projects, and co-authoring opportunities that highlight their contributions and help shape the future of responsible AI.

#### EMPOWERING PRACTITIONERS

We equip AI professionals with state-of-the-art tools, methodologies, and industry-recognized certifications in AI governance, responsible AI, and ethical AI development. Our members receive access to tailored AI toolkits for different sectors, ensuring practical and actionable insights. Through our mentorship program, less-experienced members can connect with seasoned AI practitioners to build their expertise.

#### COLLABORATIVE EFFORTS

Our partnerships span across industry, academia, and regulatory bodies, fostering a holistic approach to AI. Members are invited to participate in joint research initiatives with academic and industry leaders and can attend our annual AI summit where collaborative outcomes are showcased. These opportunities enable members to lead and contribute to cutting-edge research, shaping the global AI agenda.

#### HANDS-ON EXPERTISE

Led by seasoned professionals with practical AI experience, we offer more than just guidance—we provide personalized AI project audits and advisory sessions tailored to the unique challenges of each member. Through expert-led workshops and boot camps in niche AI areas, members can deepen their practical understanding and apply AI effectively in their own industries.

#### COMPREHENSIVE AI IMPLEMENTATION ADVISORY

We take a thorough, inclusive approach to AI, ensuring responsible and effective integration across all applications. Our AI Maturity Assessment Tool enables members to gauge their AI adoption journey, offering clear guidance on the next steps to achieve full integration. We also provide sector-specific AI frameworks and quarterly regulatory briefings to keep members informed about compliance requirements and emerging standards.

200+ AI Experts Shaping the future of mutualistic symbiotic AI.

# Corporate Member

## SCALE HUMAN-AI SYMBIOSIS MATURITY THROUGHOUT YOUR ORGANIZATION.

Our Corporate Members benefit from ongoing personalized support in scaling their AI initiatives responsibly, ensuring continuous alignment with global AI regulations, and connecting with industry leaders through exclusive events and insights.

### SCALE AI IMPLEMENTATION

Receive guidance on integrating symbiotic AI solutions with **post-implementation support** to ensure long-term success. Members will benefit from **customized toolkits, quarterly audits**, and **ongoing performance reviews** to keep their AI systems optimized and effective.

### SCALE YOUR AI MATURITY

Enhance AI capabilities and track your progress with **self-assessment tools**, allowing members to measure their AI maturity. Leverage **exclusive AI benchmarks, industry case studies**, and **sector-specific metrics** to continuously evaluate and improve your AI initiatives. Each member will receive a personalized **AI adoption roadmap** based on their audit results.

### REGULATION & STANDARDS SUPPORT

Navigate AI regulations with **direct, ongoing support** from our AI advisory team, who will provide tailored compliance guidance based on your specific industry. Stay informed about the latest global standards with regular **compliance webinars, educational workshops**, and quarterly updates.

### NETWORK WITH INDUSTRY LEADERS

Join **exclusive roundtables, industry-specific panels, and AI summits** where members can engage with C-level peers and top AI decision-makers. Members also receive access to **industry reports, white papers**, and other valuable insights derived from these roundtables and events. The AI landscape and gain access to C-level peer groups.

### MARKETING & PROMOTION

Elevate your AI initiatives with regular visibility through **co-branded press releases, joint case studies, and featured member stories** in H-AISA publications. Members will also have opportunities to co-host webinars, panel discussions, and podcasts to engage with the AI community and build their brand.

# Alliance Member

## LEAD IN THE SYMBIOTIC AI ECOSYSTEM.

As an Alliance Member, you'll help lead the future of responsible AI and symbiotic human-AI interactions. You'll contribute to global initiatives and thought leadership while having direct input on policy and regulatory influence.

### STAY AHEAD IN A FAST-MOVING AI LANDSCAPE

Stay ahead of the rapidly evolving AI landscape with monthly newsletters, early access to beta versions of AI tools, and invitation-only webinars where emerging AI trends are discussed. Members will also gain access to AI trend forecasting reports and future-readiness workshops to ensure they remain competitive.

### PROMOTE YOUR AI INITIATIVES

Gain visibility through H-AISA co-branding opportunities, including joint publications, thought leadership blog contributions, and featured media exposure. You'll also have the opportunity to present your AI projects at global conferences and events, building your organization's thought leadership in the AI space. Members can further enhance their media presence with media training and personal branding workshops.

### CONTINUOUS UPSKILLING & TRAINING

Access self-paced learning modules and interactive training platforms, in addition to our exclusive training and certifications in AI governance, ethics, and industry-specific applications. Members can choose specialization tracks such as healthcare AI, finance AI, and AI ethics, ensuring their learning aligns with industry goals.

### MARKETPLACE FOR COLLABORATION

Participate in the H-AISA collaboration portal, where members can post and engage in AI projects, find partners, and showcase their completed AI initiatives. The platform includes tools for progress tracking, task assignment, and document sharing, making it a fully interactive workspace. Members also have the opportunity to work on H-AISA-led collaborative projects, tackling AI challenges with fellow members.

### DEMONSTRATE LEADERSHIP IN THE AI ECOSYSTEM

Position your organization as an AI leader through joint research projects, speaking opportunities at H-AISA events, and participation in the Global AI Leadership Program, which offers leadership coaching, mentorship, and certifications in AI governance and leadership. Members will also participate in exclusive leadership roundtables to exchange insights with other AI leaders.

### NETWORK WITH INDUSTRY LEADERS

Connect with top professionals and thought leaders in the AI industry.

# Terms & Conditions

## 1. GENERAL PROVISIONS

These Terms and Conditions govern the relationship between the Human-AI Symbiosis Alliance (H-AISA) and its members. By becoming a member, you agree to these terms. H-AISA may amend these terms with 30 days' notice. Amendments will be communicated via email and posted on the H-AISA website.

## 2. MEMBERSHIP TIERS

H-AISA offers Corporate and Alliance Memberships, each with two tiers. Membership is valid for one year and renews automatically unless canceled 30 days prior to the renewal date. Membership benefits will be suspended if renewal fees are not paid within 30 days.

## 3. PAYMENTS & FEES

Membership fees are due within 30 days of the invoice date. Late payments incur a 5% penalty per 30-day period. Fees are non-refundable unless H-AISA terminates the membership, in which case a pro-rated refund will be issued. Taxes are the responsibility of the member.

## 4. MEMBERSHIP BENEFITS

Membership benefits vary by tier. H-AISA reserves the right to adjust benefits with reasonable notice. Significant changes will be communicated, and members may cancel their membership within 30 days if they disagree with the changes.

## 5. CONFIDENTIALITY

Members must maintain confidentiality of proprietary information. Breaches may result in termination without refund. H-AISA will investigate alleged breaches and allow members to respond. NDAs may be required for certain high-level activities.

## 6. INTELLECTUAL PROPERTY

All intellectual property (IP) created by H-AISA remains its property. Members may use H-AISA materials for non-commercial purposes during their membership. Joint research contributions will be governed by separate agreements.

## 7. MARKETING & PROMOTION

H-AISA may promote members in marketing activities. Use of members' logos or branding requires approval. Members may opt out of specific promotions.

## 8. TERMINATION & CANCELLATION

Members may cancel by giving 30 days' notice before the renewal date. H-AISA may terminate memberships for non-compliance, unethical behavior, or legal violations. Members will receive a written warning and have 14 days to address any issues.

## 9. LIABILITY

H-AISA is not liable for any damages arising from the use of its materials or services, except in cases of gross negligence or willful misconduct.

## 10. FORCE MAJEURE

H-AISA will not be held liable for failure to perform due to events beyond its reasonable control, such as natural disasters, pandemics, government actions, or other extraordinary circumstances. If such events persist for over three months, members may cancel their membership with a pro-rated refund based on the remaining term. Members also have the option to temporarily suspend their membership for up to three months during significant disruptions, resuming their benefits once normal operations are restored. After this period, should the event still continue, members may opt for cancellation with a pro-rated refund.

## 11. AMENDMENTS

H-AISA may amend these terms with 30 days' notice. Members may cancel if they disagree with the amendments by providing written notice within this period.

## 12. GOVERNING LAW

These terms are governed by the laws of Switzerland. Disputes will first be resolved through mediation, and if unsuccessful, will proceed to arbitration in Switzerland.
